			<p>consultation delivered via telehealth) versus AA020 (Level B consultation delivered face to face). The fee payable remains the same. No additional fee (e.g., facility fees) can be charged in relation to the consultation.</p> <p>For further information on the criteria for Level A, B, C and D consultation services, please refer to the <i>AMA List of Medical Services and Fees</i>.</p> <p>Out-of-hours fees are only payable for emergency attendance and emergency treatment of a worker at a time when the practice is not usually open.</p>
WCO001	Certificate of capacity	\$53.80 (plus GST)	<p>Initial certificate of capacity.</p> <p>This fee is payable only once per claim for completion of the initial certificate of capacity.</p> <p>The certificate of capacity can be downloaded from the SIRA website.</p>
WCO002	Services provided in addition to usual medical management	\$26.90/5 min (plus GST)	<p>This fee remunerates any time spent by the medical practitioner (in addition to usual medical management) to assist the worker to recover at/return to work.</p> <p>These rates may cover discussions with employers, case conferencing (see definition below), visits to worksites, time spent reviewing injury management or recovery at/return to work plans, and providing additional reports (when requested and pre-approved by the insurer).</p> <p>Invoices should reflect the time taken (to the nearest five minutes) to deliver the service.</p>
	Case conference	\$26.90/5 min (plus GST)	<p>Case conference means a face-to-face meeting, video conference or teleconference with any or all of the following parties – worker (including a support person, if requested by the worker), employer, workplace rehabilitation provider, insurer or other treatment practitioner/s delivering services to the worker. Discussion must seek to clarify the worker’s capacity for work, barriers to return to work and strategies to overcome these barriers via an open forum to ensure parties are aligned with respect to expectations and direction of the worker’s recovery at work/return to suitable employment. If the discussion you have is with the worker and their chosen support person, it must include another third party to be considered a Case conference. Discussions between the worker’s nominated treating doctor and other treating practitioners (e.g. allied health practitioners, medical specialists/surgeons) relating to treatment are considered a normal interaction between</p>
