IRO Issues Paper: Practical issues arising from the operation of section 59A *Workers Compensation Act 1987*

The Independent Review Office Issues Paper: Practical issues arising from the operation of section 59A *Workers Compensation Act 1987* has been released.

IRO commenced an Inquiry into some of the practical issues arising from the operation of section 59A of the *Workers Compensation Act 1987*. The issues identified are now being considered as part of SIRA's public consultation on the [McDougall Review recommendations](#).

A PDF version of the Issues Paper can be viewed [here](#)
